Your welcome.

Unfortunately, we do not have temperatures for the tap water from each of the houses. Our temperature readings originated from the YSI Water quality meter which we used to verify water stabilization of the wellhead. The YSI was not used in each house.

thanks for putting this together so quickly.

Do you have temperatures for the tap water ?

Hi Rupert,

As you requested, please find the attached file which summarizes the pertinent info during the sampling for manganese at the [REDACTED] residence on July 3, 2012.

Please let me know if you need any additional info.

Thanks,

Suddha Graves
